MEMORANDUM CIRCULAR NO. 2019-02-07-054

TO : PMA NATIONAL OFFICERS AND BOARD OF GOVERNORS,
VISAYAS AND MINDANAO REGION COMPONENT SOCIETY
PRESIDENTS
SUBJECT : VACCINATION AND IT'S IMPACT ON PUBLIC HEALTH
DATE : FEBRUARY 07, 2019

Dear Doctors,

Warmest greetings and peace!

The Philippine Medical Association (PMA), the Philippine Foundation for Vaccination (PFV) Inc., and the Pharmaceutical and Healthcare Association of the Philippines (PHAP) will be holding a forum for healthcare professionals with the theme "Vaccination and its Public Health Impact" at the SMX Convention Center, SM Lanang, Davao City, on May 15, 2019 (Wednesday) from 12:00 PM to 5:00PM.

The forum seeks to increase knowledge on the value, science, and safety of vaccination amidst low vaccination trust, confidence and coverage among communities. Towards the end of the forum, participants will be requested to make a pledge of commitment to share learnings and also serve as resource persons in their respective areas.

We request each component society to send two (2) delegates. Kindly accomplish the attached confirmation slip and send to PMA Secretariat not later than March 15, 2019.

Lunch and merienda will be served. All participants will be given a copy of lecture materials. This program is also open for Rural Health Physicians.

This forum has applied for PRC CPD Units.

For any inquiries feel free to contact Mr. Jep Paguio of the PMA Secretariat at these numbers: 0915 132 1638 or 929-73-61 local 108.

VACCINATION AND ITS IMPACT ON PUBLIC HEALTH FOR VISAYAS AND MINDANAO REGION

*May 15, 2019
Meeting Room 4 and 5,
SMX Convention Center,
SM Lanang, Davao City*

12:00 NN	Registration	
12:30 PM - 12:45 PM	Invocation Philippine National Anthem PMA Hymn	
12:45 PM - 1:00 PM	Welcome Remarks from the PMA President	Jose P. Santiago Jr., MD President Philippine Medical Association
1:00 PM – 2:00 PM	<p>Explaining Vaccination to Patients, Families and Health Workers</p> <p>The impact of vaccination on the health of the world’s peoples is hard to exaggerate. With the exception of safe water, nothing else, not even antibiotics, has had such a major effect on the reduction of deaths, illness and disability and on population growth. *</p> <p>This session aims to highlight the value of vaccination to individuals, families, communities, and country. It shall provide an overview of vaccine-preventable diseases. The discussion shall emphasize the role of vaccination in saving and improving the quality of life of the women, children, adults and elderly people, and how this translates to social and economic benefits. It shall also cover the consequences of non-vaccination and responding to questions that may be raised by patients, their families and fellow health workers</p>	Lulu Bravo, MD Executive Director Philippine Foundation for Vaccination
2:00 PM – 3:00 PM	<p>The Science and Journey of Vaccines</p> <p>The pathway towards universal immunization is driven by science and the global vaccines community working hand in hand to ensure that</p>	Anna Lisa Ong-Lim, MD President Pediatric Infectious Disease Society of the Philippines

	vaccines deliver on their promise. How vaccines work and how they are developed and distributed are central in establishing facts and dispelling myths about vaccine efficacy and safety.	
3:00 PM – 4:00 PM	Vaccine Safety While vaccines are considered safe and effective, vaccines are not risk-free and adverse events may occur following vaccination. Public trust in vaccine safety is key to the success of vaccination programs.	Salvacion Gatchalian, MD President Philippine Pediatric Society
4:00 PM – 5:00 PM	Get vaccinated A session which answers the questions 1) who should be vaccinated; 2) when should one be vaccinated; and 3) where can one get vaccinated.	May Montellano, MD Immediate Past President Philippine Foundation for Vaccination
5:00 PM – 6:00 PM	The Philippine Medical Association (PMA) Commitment	Benito Atienza, MD Vice-President Philippine Medical Association
