### MEMORANDUM CIRCULAR NO. 2021-04-14-056

**TO : ALL PMA MEMBERS**

**SUBJECT : CALL FOR VOLUNTEER-DOCTORS**

**DATE : APRIL 14, 2021**

Our hospitals are now in the red line and are more that 85% occupancy.

The Philippine Red Cross, in collaboration with the Philippine Medical Association, calls for volunteer-doctors for the PRC-PMA Field Hospitals. The field hospitals will be put up in government hospital compounds. These field hospitals now become an adjunct/extension of services and care for both Covid and non-Covid patients. Similarly, quarantine facilities for mild and asymptomatic COVID patients may be put up in universities such as the Ateneo University and the University of the Philippines.

These need volunteer-doctors to help administer care of medical advices through telemedicine.

Those who wish to register, you may click this link.

Looking forward to your prompt and positive response on our call. Thank you and stay safe, everyone!

Respectfully,

**HECTOR M. SANTOS JR., MD, MMHA**  
Secretary General
